In this connection, I beg to state that as the current official year is already drawing to a close, the system of leasing out the right to collect tolls on contract will have to be brought into force from 1st July next as in the case of other toll-gates. I therefore request that Government may be pleased to sanction the proposal of leasing out the right to take effect from the begining of the next official year and the retention of the temporary establishment sanctioned in Government Proceedings No.1935-6 L.B./35-13- dated 15-8-1913 till the end of June 1915. The said establishment has been working and no payment has yet been made for want of sanction of Government.

I have the honor to be,

Sir,

Your most obedient servant.

President,

District Board, Mysore.
